Guessing how much water to use?

2004 - IRRIGATION ASSOCIATION PRODUCT OF THE YEAR

2005 - EUROPEAN INNOVATION AWARD

2006 - CONSUMERS DIGEST BEST BUY

Save Water. Save Money.

Landscaped Area	Sample Water Usage (gallons)	SMARTLINE® Usage (gallons)	SMARTLINE® Savings		Payback Time (ROI)
			1st year savings		
			gallon savings	\$ Savings	
Small Property 1 acre	1,600,000	800,000	800,000	\$4,000	5 months
Large Property 5 acres	8,000,000	4,000,000	4,000,000	\$20,000	11 months

Note: Savings results will vary based on historical usage, property size, water cost, and weather conditions.
